Declaration of Compliance

for materials and articles intended to come in contact with food

We hereby confirm that the products

- **MAXTRA PRO ALL-IN-1**
- **MAXTRA PRO LIMESCALE EXPERT**

made of the following materials

- **PP**
- **PET**
- **Activated Carbon**
- **Ion Exchange Resin**

comply with the legal regulations laid down in the European Regulation (EC) 1935/2004 (incl. Art. 3,11(5), 15 and 17) and in the European Regulation on plastic materials (EU) 10/2011, both as amended. Additionally, they comply with the requirements of Resolution of the European Council ResAP (2004)3 for ion exchange resins and the requirements of DIN EN 12915-1:2009-07 for granular activated carbon.

When used as specified, the overall migration as well as the specific migration do not exceed the legal limits. The tests were performed according to the directive (EU) 10/2011 (annex V).

A functional barrier was not used.

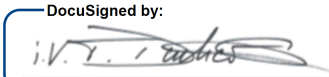

Products listed in this declaration are suitable for the contact with water for human consumption, considering the contact time 24 hours at ambient temperature and also inserted in water kettles from BRITA partners which fit MAXTRA PRO water filter cartridges.

In case that the used materials and raw materials contain substances with SML restrictions, all test results are within the legal threshold values. The identity of this/these component(s) can be disclosed for testing purposes to third parties, upon special request and under maintaining secrecy (NDA).

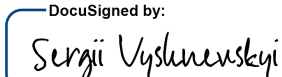

The product is produced in accordance with Regulation (EC) No. 2023/2006.

The strict observance of all safety, operation and maintenance instructions in the product documentation is essential.
